David Wright, 885-7555 x204

FOR IMMEDIATE PUBLICATION

Summer Beach Access to Marquette Park

The Gary Public Transportation Corporation will be adjusting its Miller service to allow for direct access to Marquette Park for beachgoers. Beginning Friday, June 16 and thru Labor Day weekend, GPTC will be detouring its **ROUTE 13 (OAK AND COUNTY LINE RD)** thru Marquette Park instead of down Forest Avenue for all service **after NOON on Fridays and all day on Saturdays.**

This routing will allow for boarding and drop-offs at: the **Marquette Park** concession area, the **Gary Aquatorium**, and the **Marquette Pavilion**, providing immediate access to Marquette Park Beach, playgrounds, trails, food/drink and other activities.

Route 13 connects Gary's beaches to the rest of the transit system at the Metro Center in downtown Gary. This route also connects to the **South Shore commuter line** at the Metro Center and Miller Beach stations and provides front-door service to the **Lake Street commercial district**. Check individual schedules for details.

Residents seeking additional information may:

- VISIT www.gptcbus.com/routes.htm for route schedules and a system map
- LIKE [GaryTransit](#) on Facebook to post questions on air show travel
- FOLLOW [@GaryTransit](#) on Twitter for information and feedback

Please direct any questions to David Wright at PlanningManager@gptcbus.com or call (219) 885-7555 ext 204.
